King, Jr. Blvd., South Bay. The purpose of the meeting is to describe all Chapter 1 programs and elect Parent Advisory Council members.

Over 50 years experience...Three top managers at Belle Glade City Hall have opted to take early retirement. Director of Public Works Frank Green, left, has been with the city 14 years. He retired last week. City Clerk June Boglioli is retiring in December after 23 years and Finance Director Bill Underwood will relinquish his calculator on November 30.

Cooperative begins 32nd harvest season

The Sugar Cane Growers Cooperative of Florida rolled out its fleet of equipment Monday as operations cranked up for the 32nd harvest season. In preparation for its second year of harvesting 100% of its cane mechanically, the Cooperative mobilized 36 mechanical harvesters, 75 tractors, 24 transfer stations, 306 cane wagons, 136 semi-trucks, and 470 cane trailers into the cane fields.

In light of last year's excellent mechanical harvesting results and adequate weather, we are anticipating a good season," said Cooperative President George E. Wedgworth. "Rainfall patterns have been unpredictable and growers have been somewhat limited in their ability to pump surface water under the new Best Management program leading to slower growth early in the growing season. However, the cane has begun to mature nicely in the last 30-45 days."

South Bay plans program to provide positive progress.

South Bay Mayor Clarence Anthony is committed to seeing the youth in the community move in the appropriate direction, and he is spearheading South Bay's Success on Saturday Program. The program is intended to provide positive information and direction to the youth. The program will

involve community groups and businesses in volunteering their time and resources to empowering and encouraging youth to progress in a positive direction.

The mayor is in hopes that the different sororities, fraternities and businesses will become involved in the program and become a sponsoring group. He asks that each sponsoring

group take at least one Saturday

out of the year to sponsor any skill-based session.

The sessions will be held from 9 a.m. until noon, and specific goals and objectives will be identified.

The first session, sponsored by Rosenwald Elementary and the City of South Bay, is planned for Nov. 13.

Some have charged that the machines tear up the root system of the cane, leading to an increase in the need to replant. However, the Cooperative's records show stability in the number of acres of plant cane indicating good regrowth after machine harvest takes place.

In order to increase yields of mechanically harvested sugarcane, several innovative changes have been made in the processing plant. This year, the first phase of installing new energy-efficient clarifiers was completed.

Last year, the crystallizers were expanded to increase extraction of sugar from molasses while the fourth mill rolls have been added to each mill in the milling tandem to increase juice extraction from the cane stalk.

The Cooperative employs 910 people and has an annual payroll in excess of \$27 million.

Three key people leaving city government in Belle Glade

By Brenda Bunting
Editor

Three of the top managers in city government in Belle Glade are leaving by the end of the year.

City Clerk June Boglioli, 44, will retire the last of December. Finance Director Bill Underwood, 42, leaves the last of this month and Public Works Director Frank Green, 72, turned in his key last Friday.

All have taken advantage of an early retirement program passed by the commission this summer that is good only through December of this year.

Mayor Steve Weeks said he voted against the early retirement package for just this reason.

"The city is going to sorely miss them and that's one of the reason I was against the proposal," he said.

No one has been hired yet to learn Mrs. Boglioli's job. Teresa Guzman will be acting finance director and Micky McCabe has taken the job as acting public works director.

All three retiring employees gain five years' retirement benefit by leaving early. City Manager Lomax Harrelle has said the early retirement is a way for the city to save money.

Mrs. Boglioli, who has been

with the city for 23 years, said she has no immediate plans.

"I don't know. I'm looking at my options and taking my time. I plan to just relax for a while," she said. "I'll be part of the community."

Mrs. Boglioli came to the city in 1971 and served as deputy city clerk for a couple of years before taking the position of city clerk.

She said one of her fondest memories is working with City Manager Bill Malley.

"He taught me so much. I guess that's why I remember him more than others," she said.

For a small town city clerk, Mrs. Boglioli said she has seen it all, from the votes to recounts to voter fraud.

"Belle Glade is a place where you can gather experience beyond your imagination," she said. "I guess the only thing we haven't seen here is a recall," she said.

Mrs. Boglioli and her husband Louis, have lived in Belle Glade since 1967. They have two sons, John and Clay.

Mr. Underwood has taken a job as director of administrative services and finances for the City of Stuart.

South Bay Commissioners interested in upkeep of city

Tammy Jackson
Staff Reporter

The South Bay City Commission met Tuesday night in hopes of approving all five resolutions on the agenda. Out of the five, four of the resolutions were approved and one was deferred. The City of South Bay is looking into the best interest of the city and its upkeep. Commissioners are proving that they will apply for any grants to accomplish that task.

Under the leadership of Mayor Clarence Anthony, the commission voted to authorize a contract for recycling collection services. A \$1.45 residential rate will be imposed. The commercial rate will be \$1.11 per cubic yard. The contract will be awarded to South Florida Sanitation.

Commissioners also approved an agreement with Palm Beach County for Infill Housing Funds. The city received \$69,000 and will contract to purchase more lots with the monies. The program will assist citizens in their purchase of homes.

Commissioners also approved a resolution that would approve interlocal agreement for NPDES Monitoring. They advised the city manager to research the agreement and report back to the commission at the Nov. 16 commission meeting.

Honored for safety and longevity...324 cane truck drivers at Sugar Cane Growers Cooperative of Florida were honored recently. Those who have been with the Cooperative for over 20 years are shown with their bosses. In the front row, from left are: Lavaughn Milligan, Buddy Mills 24-year driver Willie Wright, Dale Stacey, Vice President and General manager Bill Kramer and 22-year driver Ollis Felton. Back row are: 31-year driver Willie Fleming, 20-year driver Victor Mayo, 23-year driver Charlie Witchett, 20-year driver James Fearance, 23-year driver Floyd Johnson, Jr., 28-year driver Ruben Morris, Jr., and 24-year driver James White.

Safe drivers at Sugar Cane Growers honored

Ninety-four percent of the Cooperative's full season over the road vehicle operators received safe driver awards from the Sugar Cane Growers Cooperative of Florida at its 27th annual safety seminar held Oct. 29 at Belle Glade Civic Center.

Recognized for completing the 1992-93 season without a chargeable or avoidable accident were 324 drivers.

This year's program featured a four-hour safety program entitled "Decision Driving" which concentrated on accident avoidance. According to Safety manager Elaine York, the group also was presented with the Cooperative's new safety fleet policy which adds a preventability assessment for each incident. "This will allow us to follow up with additional training for those who need it,"

York said.

"Since the Cooperative has such a high percentage of drivers returning each season, safety training is an investment in our future," said Bill Kramer, Vice President/General Manager. "Our operators are to be commended for having such a good safety record since they log more than a million miles each season."

York attributes the Cooperative's past success to the drivers level of experience and training. This year, the Cooperative will have a 98% return rate and York is looking forward to another safe harvest season.

This year 10 drivers earned awards for having 20 or more years of safe driving records and another 38 drivers were recognized for 15 or more safe years.

Betty Boyer named Guardian Ad Litem of the Year by FDLE

Betty Boyer, a resident of South Bay, was named Guardian Ad Litem of the Year for Palm Beach County.

Betty is a volunteer Guardian and has worked very hard for abused and neglected children for the past three years.

She received the award at the FDLE (Florida Department of Law Enforcement) Convention

held this past October in Orlando. She was elected out of over 300 volunteers.

"Betty is a great asset to our program," says Julie Wilkinson, who runs a satellite office here in Belle Glade for Palm Beach County.

"Betty spends numerous hours working on cases and is extremely dedicated. She is always there to help," said Mrs. Wilkinson.

Mrs. Boyer was also named Peer Coordinator of the Glades Office and helps new volunteers with their cases.

Mrs. Wilkinson said "This award was given to a very dedicated lady, who spends most of her time helping people, and supporting the Belle Glade office. All of the Guardians in Palm Beach County congratulate her."

Betty and her husband, Bill, have three children, Chantille, Boots and Sam. Betty also spends a lot of her time taking care of her grandchildren.

Betty asks that anyone who has a little time to volunteer should please do so, as the rewards are high for helping these children who are abused to find safe and happy lives again.

"It could be some of the most rewarding hours you'll ever spend," said Betty. "Please volunteer to help these children who need us."

Do you want to be part of the dream to change the way America cares for her troubled children? Do you want the chance to make a difference in the life of a troubled, abused, or neglected child?

If so, the Boys Town Treatment Foster Care Program is looking for married couples who like children, and are willing to take young people into their homes and be the family they so desperately need.

For more information on how

you can become a foster parent, please come out and meet with local human service representatives and representatives from Boys Town on Wednesday, Nov. 10 at 7 p.m. at West Technical Education Center.

Movie Matinees

The Loula V. York Branch Library in Pahokee offers movie matinees for children during the month of November.

On Nov. 4, the library is offering the shown "Aladdin and His Wonderful Lamp" and "A Boy and A Boa".

On Nov. 11, the program will be "A Pocket for Corduroy" and on Nov. 18, the show is "Harry and the Lady Next Door".

Christmas parade

The Belle Glade Chamber of Commerce is sponsoring the annual Christmas Parade on Saturday, Dec. 4 at 10 a.m.

Clubs, schools and organizations are urged to participate in the categories of floats, cars, bands and walking units. For an entry form, call the Chamber at 996-2745.

Practice makes perfect...Members of the Living Christmas Tree, a yearly musical presentation at the Dolly Hand Cultural Arts Center, were practicing the songs they will sing on Saturday, Dec. 4 at 7:30 p.m. and Sunday, Dec. 5 at 3 p.m. Tickets are \$2 for this new and improved performance. Over 40 Glades residents are participating in the event. SUNPHOTO by Brenda Bunting

Betty Boyer named Guardian Ad Litem of the Year by FDLE

Betty Boyer, a resident of South Bay, was named Guardian Ad Litem of the Year for Palm Beach County.

Betty is a volunteer Guardian and has worked very hard for abused and neglected children for the past three years.

She received the award at the FDLE (Florida Department of Law Enforcement) Convention

held this past October in Orlando. She was elected out of over 300 volunteers.

"Betty is a great asset to our program," says Julie Wilkinson, who runs a satellite office in Belle Glade for Palm Beach County.

Betty spends numerous hours working on cases and is extremely dedicated. She is always there to help," said Mrs. Wilkinson.

Mrs. Boyer was also named Peer Coordinator of the Glades Office and helps new volunteers with their cases.

Mrs. Wilkinson said "This award was given to a very dedicated lady, who spends most of her time helping people, and supporting the Belle Glade office. All of the Guardians in Palm Beach County congratulate her."

Betty and her husband, Bill, have three children, Chantille, Boots and Sam. Betty also spends a lot of her time taking care of her grandchildren.

Betty asks that anyone who has a little time to volunteer should please do so, as the rewards are high for helping these children who are abused to find safe and happy lives again.

It could be some of the most rewarding hours you'll ever spend," said Betty. "Please volunteer to help these children who need us."

Dolly Hand Cultural Arts Center and Palm Beach Community College news

By Maria Wise Miller
Things are happening at Palm Beach Community College and the Dolly Hand Cultural Arts Center! And, you can be a part of it.

There are many programs, special events, festivals, classes, training programs, and lectures being offered by the college for the benefit of Glades residents. Look here in The Sun newspaper for information updates for events and news of the college.

At the Dolly Hand Cultural Arts Center, we are preparing for a first ever event in the Glades, "Stars on Ice" an ice skating show featuring internationally known ice skating stars, dazzling costumes, a spectacular on ice you and your children will not want to miss...on November 23rd.

The Dolly Hand theatre features a season of great music, theatre, dance, comedy and more...Great shows, here in the Glades, at prices that let you bring the whole family. Call 992-6160 for more information concerning attractions.

The Palm Beach Community College's Glades Campus is an active community partner with a mission to provide quality education and leadership skills enabling students to reach for and attain excellence. The college was recognized for its important role in the community by the Belle Glade Chamber of Commerce at its annual banquet where Glades Campus Provost Dr. Helen Franke accepted the "Community Pride Award" on behalf of the college.

Recently, three students were selected by faculty to attend the Florida Association of Accounting Educators Conference in Orlando. The conference provides an opportunity for outstanding students to find out more about accounting education and career options. The students attending for the Glades Campus were Amanda Reynolds of Lake Harbor, Anita Morris of Belle Glade and Howard Ewan of Belle Glade. Congratulations students.

Thanks to Pahokee Elks

We all would like to show our sincere appreciation to all the Pahokee Elks members for their dedication for keeping Halloween a memorable occasion for our kids this year. Their preparation and trick or treats were a great success and our kids had the best time Friday night at our Halloween party.

It takes time and dedication to their community to show concern for everyone. We can not say enough for your time and support given by your Lodge. We all would like to take this opportunity to say thank you for everything you have done for our small community and we all

wish you well with your future endeavors.

Happy Holiday,
Citizens of Pahokee

Don't forget to pick up food

If the Boy Scouts leave bags on our doors to feed the hungry, please remind them to pick them all up.

My sister and I each filled a bag last year and put them out on the appropriate day. They weren't picked up. We were disappointed and didn't know who to call about this.

They could have fed a few families with our food alone.

Letters to the editor

Cartoon is not funny

Dear Editor:

Being a proud American citizen, I'm privileged to have "Freedom of Speech" and "Freedom of the Press."

For the first freedom, I have the right to say in my opinion, your so called comics need to go!

The first strip was untimely, causing hurt feelings and embarrassment to a highly supportive and respectable family. The second was a cover-up for your mistake! The next was not even funny!

Let's face it, considering where we live and what so called snobs already think of us, we don't need to add flame to any fires.

If you can't have your comic strip say something positive about the people of the Glades, then it is not funny!

Many Glades area people are pointing it out. I'm the only one who has the "nerve" to put it in writing.

The sad thing is that the cartoonist is not an "unknown comic."

Knowing how your paper is run, I feel sure I'll never see this editorial, but just in case, I'm not afraid to sign it.

Glennie T. Davis
Concerned Citizen
Belle Glade

Editor's response: Thank you for your comments on Paul Whitehead's cartoons. While you are correct that they are not always funny, it has never been our intention to offend anyone. Our cartoonist signs his work and is not attempting to be an "unknown comic."

As to your comments that you felt I would not run your letter to the editor, I am surprised you would say that, Ms. Davis. I challenge anyone to come forward and say I have not run letters or **Speak Out** comments that were negative to our newspaper. We welcome comments and criticism. This is your newspaper, and if you like, or dislike something, we want to hear from you.

Children, America's future at risk

Dear Editor:

Today we see glaring headlines about crimes committed by children. How can this be happening? A man dreamed that he and some children were on a tower. They showed little fear. Suddenly, one stumbled and fell. In disbelief, he saw the little body as it struck a stone on the ground below. In a state of panic he rushed to the child. Picking up the body is screamed aloud, "every bone is broken!"

When he awoke, being a Christian, he prayed about the horrible nightmare. He understood the need to represent a sensual worldly lifestyle, drugs, alcohol, promiscuous sex, etc., where innocent children, unafraid, trust and follow the adult example.

Many of these children continue into adulthood, some becoming progressively worse, including a life of crime.

He recalled how God regards such lifestyles: "The wages of sin is death." Rom. 6:23a. Christ warns, "whoever causes one of these little ones to stumble, it is better for him that a heavy millstone be hung around his neck, and that he be drowned in the depth of the sea." Matt. 18:6. "The wicked will be turned into hell, and all the nations that forget God." Psalms 9:17.

The Bible says that "The fear of the Lord is the beginning of wisdom." Proverbs 9:10. Past generations, that made this country the greatest nation on earth, respected the laws of God so much that they established the nation's motto, "In God We Trust."

Living on God's earth is a great privilege, with a commensurate responsibility. May each reader assess his own life and make corrections as needed.

Christ said: "The one that comes to me I will certainly not cast out." John 6:37.

Sincerely,
Arvil Dunaway

50,000 agricultural jobs will be lost in Florida if NAFTA is passed

By Miller Couse

President of First Bank of Clewiston

In the debate over NAFTA, the North American Free Trade Agreement, the word "Free" is often confused with the word "Fair."

Because when we talk about NAFTA, "Free" is not "Fair" trade. As written, NAFTA is not fair. It's not fair to American farmers. It's not fair to American consumers. And it's not fair to American farm workers.

Sure NAFTA may benefit a few glamorous and politically powerful industries, such as energy, aviation, telecommunications, and electronics. But to do it, the American negotiators sacrificed agriculture. In the process, a way of life will be lost, our nation's food self-sufficiency will be lost, and most distressing, thousands of agricultural jobs will be lost.

NAFTA will be costly to America. But Floridians will be paying much of the bill because Mexico is Florida's agriculture's largest competitor. Already Mexico grows 60 percent of the cucumbers, a third of the tomatoes, a third of the peppers and half the squash sold in the U.S. during the winter. As a result the U.S. is Mexico's biggest agricultural customer.

Even so, Florida has been able to compete. But NAFTA will change that. Because NAFTA will give Mexico competitive advantages that American farmers don't have. Mexican growers, for instance, use land that is subsidized by their government. American farmers, on the other hand, paid for their land, and are paying taxes on their land to support schools and other community programs.

Mexican farmers do not have to comply with the same environmental, health and safety, and labor regulations that American farmers must. All this lowers their costs. And Mexican farmers are free to use cheap and dangerous pesticides that are banned in the United States. This poses a serious health hazard to American consumers.

Such things as minimum standards for pay,

and workers' safety and health, which are all costs to American farmers, are not considerations for Mexican farmers who use child labor and don't pay workers' compensation or health benefits. With the same and other competitive advantages, lower priced Mexican imports to the United States will drive farming out of Florida. The jobs that will be lost to this unfair competition are good jobs. They are jobs that assure Florida's agricultural workers fair compensation, health benefits, and safe working conditions.

If NAFTA is passed, it will mean that in the name of "free" trade:

- At least 50,000 agricultural jobs in Florida alone will be lost even while our government is struggling to create jobs for millions of frustrated citizens who are already unemployed.

- The hard fought battles for worker dignity and living wages, will be forgotten as our good farm jobs are sent across the border to Mexican workers who may earn \$2 per day and barely have any rights or benefits.

- An important Florida industry that contributes \$48 billion annually to the state's economy, and provides employment for nearly a half million people will be lost.

- We'll allow ourselves to become dependent on another nation for our food, even after we've had to go to war because we've become dependent on other nations for our basic fuel oil.

- Our citizens will be exposed to food that may be contaminated with filth and poison even though we've spent millions to ensure that our own water and domestic food supply is clean and healthful.

NAFTA may be a good deal for Mexico. But it certainly is not one for America, unless we're willing to forget our tradition of respect for workers' rights, disregard our standards for environmental quality and food safety, give up our agricultural self-sufficiency, and dash the hopes of our citizens for a better life for themselves and their children.

Jobs would be created by NAFTA, says American Gas Association

By Michael Baly II

President of the American Gas Association

At least 200,000 American jobs could be created by the North American Free Trade Agreement (NAFTA) - but only if Congress passes it into law.

NAFTA could not only send lathes turning and computers churning, it could also get satellites spinning, brokers talking, vegetables moving, phones ringing and natural gas flowing.

The U.S. energy, telecommunications, agriculture and financial services industries - in addition to manufacturing - are among the many that could benefit from the expanded opportunities NAFTA would create. So could small business, high technology and professional services. These opportunities are just a few of the reasons why Congress should pass the agreement this fall.

With NAFTA on the books, the three nations of North America could enjoy the largest free-trade zone in the world - a market of more than 350 million people. U.S. business could be empowered to build and sell products made from the best goods and services America and its neighbors have to offer - but only if Congress passes the agreement.

NAFTA is designed to raise environmental standards at the same time it creates business opportunities. The treaty calls for the "upward harmonization" of environmental standards between the nations. The side-agreements to the treaty call for improved enforcement of national environmental laws and the strengthening of international cooperation on environmental issues.

If enacted, the treaty could create opportunities in a long list of industries.

- NAFTA helps open portions of Mexico's state-controlled energy sector to competitive business practices and American energy service and supply companies. Natural gas exports to Mexico could quadruple by 1995.

- NAFTA requires Mexico and Canada to increase access to professional services. Last year, American firms exported \$8.9 billion of financial and other technology and professional services to Mexico.

- American semi-conductor, computer and aerospace technologies will be eligible for tariff-free entry into Mexico under NAFTA.

These sectors and many others would gain much under NAFTA, in part because Mexico's tariffs on imports from the United States range from 10 percent, while U.S. tariffs on Mexican goods average just 4 percent. American businesses receive a greater benefit when these tariffs are reduced and eliminated.

Free trade represents the economic future not only of our continent, but also of our world. Barriers to trade are falling in every corner of the globe as nations realize the mutual benefits of open commerce.

NAFTA - negotiated by the administrators of both Presidents Bush and Clinton - will benefit Americans from all walks of life and in all areas of the country. On behalf of everyone who would like to fill the 200,000 new jobs the treaty stands to create in the American economy, Congress should pass NAFTA this fall.

Seeking community support and feedback

Dear Readers:

What can be done to help improve the quality of life for people in the Glades? I am seeking opinions from anyone who lives or works here.

I am participating in this year's annual "Leadership Glades" committee. This is a group sponsored by the Belle Glade Chamber of Commerce whose purpose it is to provide interested community members the opportunity to meet community leaders and business persons from the Glades. We will be meeting with health care, government, agriculture and other representative organizations that serve the Glades.

I hope however, that this group will provide more than information to its constituents. I believe it would be useful if our time together could be utilized as a forum or springboard for leaders to begin to plan, analyze, and implement positive changes. Towards this end, I am soliciting feedback from you, "Mr. and Mrs. John Q. Public." What do you want your community leaders to know or do? What problems are being overlooked or ignored?

Obviously, we all know crime, poverty, and the economy could use some improving. Can you think of some specific approaches or ideas that haven't been tried or addressed? Even if you can't think of any specific solutions, it would be helpful for you to emphasize or re-emphasize what you believe to be the most pressing problems in the Glades. Your comments will be repeated in this column, as well as being presented to "Leadership Glades" committee members.

Please avail yourself of this opportunity to have a voice in your community.

If you would like to anonymously inquire about issues regarding yourself or your acquaintances, you may do so by writing to Dr. Boltson. You don't even have to give your name or address. Just mail all questions to:

American Education Week comes to Palm Beach County November 14-20

Grove Elementary School staff urges all community residents to do something special on the week of November 14-20 which has been designated American Education Week. The theme is "Better Schools Shape Better Tomorrows."

Citizens are encouraged to spend a morning as a classroom volunteer or sign up for playground duty. Write a letter to the editor about something good that's happening in your child's school. Donate books to the school library or contribute to a local scholarship fund. If you don't know how you can help, just call the school and ask.

Effective schools need strong ties to the community and a bedrock of citizen support. It takes all of us working together to build strong schools that respond effectively to the educational needs of our communities.

The National Education Association (NEA) joined with the American Legion back in 1921 to establish American Education Week as an annual event. This year's celebration is co-sponsored by the two groups, the U.S. Department of Education, and nine other national organizations.

He started with the city as assistant finance director in 1979 and became finance director in 1987, replacing retiring Finance Director Frank Anderson. Mr. Anderson was the city's first finance director.

He said early retirement was an opportunity he couldn't pass up. "It benefits the city and it benefits me," he said.

He said he and his wife, Perla and two sons, John and William, will be living in Canal Point for now.

Mr. Green started with the city in 1980 as the purchasing director.

"In 1981 they said go down there to public works and look after it until we can hire someone," said Mr. Green. He stayed at the job for 12 years.

He said he plans to spend his retirement years playing a little golf and doing a lot of nothing. He and his wife, Mary, have one daughter, Kelly.

One of the biggest changes Mr. Green said he as seen at public works was the upgrading of the water plant from a \$5 million facility to an \$8 million

plant in 1985. "I guess people forget how bad the water was before it was upgraded," he said. He also noted the new sewer treatment plant the city put in 1987.

Former mayor Tom Altman, who worked with all three employees for over twelve years, made these comments.

On June Boglioli: "June is the most dedicated public servant I encountered in 18 years in government. Second only to her own family was her responsibility to the citizens of Belle Glade."

"Bill is extremely talented in all aspects of financial administration. He continued the irreplaceable integrity of the city's finance department that was established by his predecessor, Frank Anderson."

On Frank Green: "Frank Green successfully juggled more balls at one time than anyone in city government. The massive responsibilities of the Public Works Department fit very comfortably on his broad shoulders."

Mr. and Mrs. Lawrence Williams celebrate 50 years

Lawrence Bruce and Catherine Roper Williams celebrated their 50th wedding anniversary Oct. 12. A reception was hosted by their children Oct. 17 at Community United Methodist Church.

The couple were married in Boise, Idaho in 1943. Mr. and Mrs. Williams have resided in Belle Glade since 1945.

Mr. Williams had been employed by Glades Chevrolet and Bonovia Chevrolet where he had worked as an automobile salesman. He retired after 36 years of service. He also retired from Glades General Hospital after 26 years of service.

The couple have four chil-

dren: Kay Williams Scott of Jupiter; Patricia Williams-Hood of Belle Glade; Larry Williams of Jacksonville; and, Keith Williams of Peru, Neb.; and nine grandchildren.

Out-of-town guests attending the reception were Lorraine Pierce of Salt Lake City, Utah; Liz Glade of Bountiful, Utah; Graeie Morgan of Sun Clemente, Calif.; Sadie Williams of Panama City; Dorothy Mathews of Panama City; and, Mr. and Mrs. Harold Turner of Panama City.

The family wishes to thank all friends and family who shared in the joy and happiness of the special occasion.

Golden anniversary

Mr. and Mrs. Lawrence Bruce Williams.

Rosenwald Elementary holds numerous activities

The good ship Learn-A-Lot of Rosenwald Elementary was bound for Lantana this weekend. Students from Laura Johnson's EMH class participated in the Special Olympics. Opening ceremonies were held at Santaluces High School, then it was off to Green Acres Lanes to compete in the bowling tournaments. The students competed against Omni Middle and Conniston Jr. High Olympians.

Now hear this: the students came home with a first place ribbon. Those participating were Laura Gauna, Audrey Butts, Wayne Alvin and Tavora Thompson.

On Saturday, Oct. 16, the Rosenwald Cub Scout Pack 665 participated in an annual Camporee at a camp south of

Clewiston.

Nineteen boys competed in the events of the day. Physical fitness exercises, games, knot tying, egg boiling, group cooperative exercises and compass course expeditions were just a portion of the day's activities planned for the youngsters.

Scout Leaders Rebecca Watson and Garry Davis accompanied the boys along with two parent volunteers, Garry Fletcher and Mr. Ketting.

Pack 665 came away with five ribbons, first place in egg boiling, second place in compass course, second place in the scavenger hunt, third place in log raising and third place in string burning.

In addition to their packed lunches, the groups enjoyed a hog roast.

Roman Fuentes, a Foreign Exchange Student from Spain who plays soccer in Spain's second place team, visited Rosenwald's ESE class and did soccer training drills with the students.

Witches, goblins, devils and even angels were on the loose at Rosenwald Friday as the kindergartners classes were on parade throughout the school in search of treats. After completing their parade they returned to their classes for a visit by Officer Susan Harrell of the City of South Bay Police Department. Officer Harrell spoke with the kindergartners about Halloween safety, and she issued treat bags.

Mayor Clarence Anthony of the City of South Bay will sponsor the Fifth Annual Honor Roll Awards for the students of Rosenwald who display academic excellence at each nine week grading period.

Richard G. Ramsey

Richard Ramsey, principal at Lake Shore Middle School was a presenter at the 23rd annual Florida League of Middle Schools Conference. The conference was held at the Sheraton Resort in Orlando on Oct. 14-16.

Mr. Ramsey was the only principal that was a presenter from Palm Beach County. His session was on "Key Essentials to Motivating the African/American Male Students".

Teachers and administrators from all over the State of Florida filled the room to capacity, with many standing to hear his dynamic session on the national crisis of the African/American male and proven solutions that would not only produce a positive change in the student but also the community, school and family.

The theme of the conference was The Magical World of Middle School.

OPENING NOVEMBER 1ST

When it can't wait, you won't have to.

The Family Care Center in Belle Glade will be opening November 1, 1993. It's a new concept in health care. It's a comfortable facility where you can walk in 10AM to 10PM Monday through Friday and 10AM to 6PM on Saturday. No appointment is necessary. The Family Care Center is

associated with Everglades Regional Medical Center. You and your family can receive the quality health care that is synonymous with Everglades. So if you are not feeling well or you need a complete annual check-up, you'll enjoy the prompt attention and quality care at the Family Care Center.

CORNER

CRUSADER

It's nice to have Mr. Wright and our elementary faculty back from a clinic in Ocala. They came back excited, tired, but full of many new ideas to do in their classrooms.

Volleyball has ended, football is drawing to a close and already basketball practice has begun. There's not much of a breather between season. We commend our athletes for their dedication and commitment to their school. So many are involved in extra-curricular activities, work and must also adhere to a tough academic average. Thanks to our players and

coaches.

Visitors to our first grade were overheard saying how impressed they were as to how well the students were reading! Way to go first graders and Mrs. Wright!

Having done a fantastic job themselves, the Crusader Choir sang to a full house at last week's chamber of commerce awards banquet. The choir and Miss Waggoner really appreciated the opportunity to sing and the very warm reception.

Pull your sweaters 'out of the closet. Winter in Florida has finally arrived. And so has the time to announce the first nine weeks honor roll. So... here they are!

The students who made the All A Honor Roll are: Crystal Brown, Laura Hartzog, Kristina Rodriguez, Courtney Braddock, Ashley Cunningham, Anne Trimble, Mickey Stevens, Malini Beharry,

Eddie Campbell, Brandi Forbes, Jennifer Griffen, Jai Salvatore, Amber Fulenwider and Ginger Wade.

Students who made the A-B Honor Roll are: Ashley Hilyer, Rebecca Palmer, Jennifer Pate, Stephan Pate, John Plunkett, Cyndi Wetherington, Mandy Redish, Jonathan Brown, Catrina Edwards, Jeremy Herring, Stephanie Pate, Jon Peniel, Anson Torrecilla, Justin Blakely, Jason Cunningham, Teresa Fulenwider, John Holman, Laura Shiver, Melody Browning, Kellie Walden, Bubba Wilson, Jennifer Glass, Jessie Rodriguez, Daniel Rose, Tori Kruse, Miera Marin and Sharon Wetherington. Congratulations on the good work.

We continue to pray for Brad Rosegrove and 1993 graduate Chris Cunningham who was in a car accident in Tennessee.

Until next week, catch the spirit!

Christian Day School's Top Priority Board consists of (front row, left to right) Tammy Parrish, Sandra Acosta, Lori de la Cerda-president, Meria Marin-vice president, Marshette Bowers and Marlene Marin, (back row, left to right) Laura Shiver, Malini Beharry, Suhey Delafe, Emilio Aleman, Amber Fulenwider and Kelle Walden.

Rosenwald Elementary installs school safety patrol

By Tammy Jackson
Staff Reporter

Becoming a school safety patrol not only means going to Washington, D.C. trip. Being a patrol is an earned privilege at Rosenwald Elementary.

South Bay Police Chief Humston installed five officers and 42 members to the school's safety patrol Oct. 28 during an installation program. Those being installed took the oath to do their best to protect their fellow classmates, represent the school and try to earn the respect of their classmates, faculty and community.

Jennifer Bolton was the mistress of ceremony for the installation. Standing before a crowd of students, parents and faculty members, Jennifer led the program while reserving respect from all those in attendance.

Maurice Police led the group in the Pledge of Allegiance, and Vesperia Pena led the group in My Country 'Tis of Thee.

Patrol captain Cetteria Earsley gave the welcome for the event, followed by a performance by the Rosenwald Band Bell Choir.

The occasion was given by Samori Ingram.

At the conclusion of the

installation, Mrs. E. Harrell, Rosenwald Elementary Principal, made remarks and led the group in the school song.

The safety patrol is under the leadership of Mattie Walker and Jacquelyn Radcliff.

The South Bay Police Chief attended the Installation of School Safety Patrols at Rosenwald Elementary. Chief Humston swore in all members.

Glades Day School's campus was overrun by little Gator gobins and other 'things that go bump in the night' at the annual Halloween Carnival fundraiser held Saturday, Oct. 30.

The elementary costume contest parade kicked off the activities with youngsters from infants through sixth grade dressed for the occasion. Overall winners were Most Original - Josh Tripp as the Red Baron; Most Authentic - Courtney Allen as Cinderella; Most Halloween - Noelle Basore; Visitors - Jacob Carter as an ear of corn; and, Best Theme - Jason Lewis, Christa Stein and Jennifer and Michael McMullen as rafters in a

boat entitled the 'USS Gator' and an inner tube.

Ticket sales were steady through much of the evening as adults and kids alike participated in the many game booths, including the dunk tank, basketball shoot, pie-in-the-face and bean bag throw. The spoke house, hay ride and jail house were also popular attractions.

Specially crafted knives, a Remington 700 rifle and a Gator football charm (with GDS encrusted in diamonds) were several of the favorite items in the auction going to high bidders.

Suspense ran through the crowd as numbers were pulled at intervals during the auction for the Booster Club's car drawing, until the last one was left in the barrel. Congratulations to eighth grader Alicia Schaper who was the grand winner for the 1993 Pontiac Grand Am!

Winners in other ticket drawings were Brenda Tyson, a log cabin design quilt by Sisters' Choice; Billy McKinstry, a Winchester Model 70 rifle; Jamie Stormer, a gold bracelet; and, Debbie Norman and Paulette Singletary, the Dooney & Bourke purses.

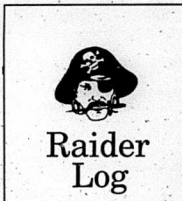

GDS would like to thank all the faculty, students and parents for making this year's carnival great success. Proceeds from the carnival and auction will go to the general fund and various classes/clubs, while money raised from the care drawing will go to the athletic department.

Students will be hitting the books next week for final exams in the second quarter grading period. Six weeks tests will be given next Tuesday, Wednesday, Thursday and Friday.

One final note - GDS congratulates the varsity volleyball players, who made it to the semi-finals of the district tournament before falling to Benjamin, 10-15, 15-11, 15-18. The girls played hard throughout the season and never gave up, even when their backs were against the wall. We will certainly miss the seven seniors who contributed to the team's success; Marcy Angel, Stacie Baumgartner, Jaci Davis, Shawn Gilliam, Stephanie McKinley, Mandy McMullen and Christie Pursell. Good luck in the future girls!

The Cornerstone members at Christian Day School are (front row, left to right) Mindi Forbes, Brandi Forbes, Jai Salvatore, Laura Hartzog, Mickey, Leiva, Jennifer Griffen, Melody Browning, Kellie Walden, Jennifer Glass and Norma Garcia, (back row, left to right) Marshette Bowers, Yvette Cepero, Sharon Wetherington, Day Rimes, Daniel Holt, Daniel Rose, Emilio Aleman, Jason Cunningham, Matthew Snow, Krista Vulgamore and Janelle McCoy.

Homecoming week actually began last week with the crowning of campus royalty Tuesday evening, Oct. 26, 1993. The coronation ceremony, with the theme "One Moment in Time," saw Sharon Ricketts crowned Miss Glades Central and Fred Taylor crowned Mrs. \ Glades Central for the 1993/94 school year.

In addition, Victoria Ervin was crowned attendant to Miss Glades Central, and Mia Pyrom at Miss Senior with Stacey-Ann Hannon as her attendant. Tekelia Padgett was declared Junior Attendant to Miss GC, Zarnesha Browning as Sophomore Attendant to Miss GC, and Veneisha Ford as Freshman Attendant to Miss GC.

Rick Casko, Carl Gibbons, Roger Williams, LaVoice Smith, Catheda Konchellah and Leticia Longoria served as masters and mistresses of ceremony. A GCHS Student Council Presentation, the coronation ceremony was chaired by Edna Legister and Linda Edgemoor, council advisor.

Presented at the same program were club queens: Ulrika Wright, Miss JV Team Sweetheart, Rizza Jedy, Miss Junior Varsity; Ronelda Frederick, Miss Team Sweetheart; Alexa Lutz, Miss Thespian; Carla Little, Miss Drama; Wilvitta King, Miss FHA; Leticia McPhee, Miss Student Council; Rose Lopez, Miss FBIA; Lee Washington, Miss Maroon Machine; Cammy Ozuna, Miss FEA; Latasha Edwards, Miss Reflections; and, Sharmickner Browning, Miss Photo Club.

Events included Leondrea Camel, Mr. FBIA; Faide Muesale, Mr. FEA; and, Daryl Flintroy, Mr. Student Council. Last week's events concluded with the Homecoming Ball held Saturday night.

This week, to further celebrate Homecoming, students have shown spirit by dressing up. Monday was Favorite College T-Shirt day, Tuesday was Super Scoop Day, Wednesday was Old Fashioned Day, Thursday, today is Super Hair Day, and Friday is, of course, Spirit Day. Wear all the maroon and gold as possible.

Tomorrow the parade starts at 3 p.m., then there's the big district game itself. Go Raiders! A Homecoming Dance will be held in the gym after the game. See you all at all three events.

First Nine Weeks Report Cards Go Out

Yesterday, Nov. 3, grade reports for the first nine weeks were distributed during the seventh period. As usual, students were either pleased or upset about the

results recorded. Each report gives the student's grade in his various subjects, a ranking of his conduct or behavior (4 is best, and 1 is bad), and a record of attendance for each class.

Parents, did you check your student's results? The honor roll for the period will be announced in an upcoming issue.

Students of the Week

Students receiving recognition for the week of October 22 were Seniors Iyad Suleiman and Beth Buchanan, Juniors Roger Williams and Carolyn Martinez, Sophomores Abdullah Mustafa and Luz Cardenas, and Freshmen Charlie Mann and Jennifer Jean. Congratulations to all.

Wrestling Season Under Way

Head Coach Frank Lasagna is hard at work determining varsity weight classes, preparing for the wrestling season which begins Tuesday, Nov. 23, at home against Atlantic. The squad hopes to uphold past traditions which have included state champs and contenders. Coach Lasagna is aided by assistants Marc Schultz, Kevin Hodges and David Bragg. The season stretches to Feb. 19 with the state tournament in Lakeland.

Alanis

Marine Pfc. Javier Alanis, son of Jesus G. and Isabel A. Alanis, of Belle Glade, is deploying to Somalia with 22nd Marine Expeditionary Unit, Marine Corps Base, Camp Lejeune, N.C., as a part of the USS Guadalcanal Amphibious Ready Group (ARG). Pfc. Alanis and his fellow Marines are joining other U.S. forces ordered to Somalia in response to

recent hostile actions against American and other military personnel there.

The 1991 graduate of Glades Central High School joined the Marine Corps in March 1992.

Patterson

Marine Lance Cpl. Luis H. Patterson, son of Luis R. and Estacita Patterson, of Pahokee, is deploying to Somalia with 22nd Marine Expeditionary Unit, Marine Corps Base, Camp Lejeune, N.C., as a part of the USS Guadalcanal Amphibious Ready Group (ARG).

Cpl. Patterson and his fellow Marines are joining other U.S. forces ordered to Somalia in response to recent hostile actions against American and other military personnel there.

The USS Guadalcanal ARG was operating in the Mediterranean when the redeployment was ordered.

This redeployment demonstrates the flexibility and mobility of naval forces. The Navy and Marine Corps are full partners in joint operations and can operate overseas to respond swiftly to crisis in distant lands, from the sea.

The 1991 graduate of Pahokee High School joined the Marine Corps in October 1991.

Florida International University thanks U.S. Sugar Corp. for help after hurricane

For nine days following Hurricane Andrew last year, Volunteers from U.S. Sugar Corp. labored to clear more than 25,000 cubic yards of debris from the campus of Florida International University to help the university reopen for classes.

FIU president Modesto A. Maidique said, "U.S. Sugar came to FIU's assistance in one of the university's greatest hours of need. We will never forget the company's efforts to help us and the rest of the South Florida Community."

The farming Company, based in Clewiston, about a 100 miles north of Miami, brought several hundred volunteer employees along with trucks and heavy farm machinery to South Dade after the storm to help victims clear roads and assist them with water and food.

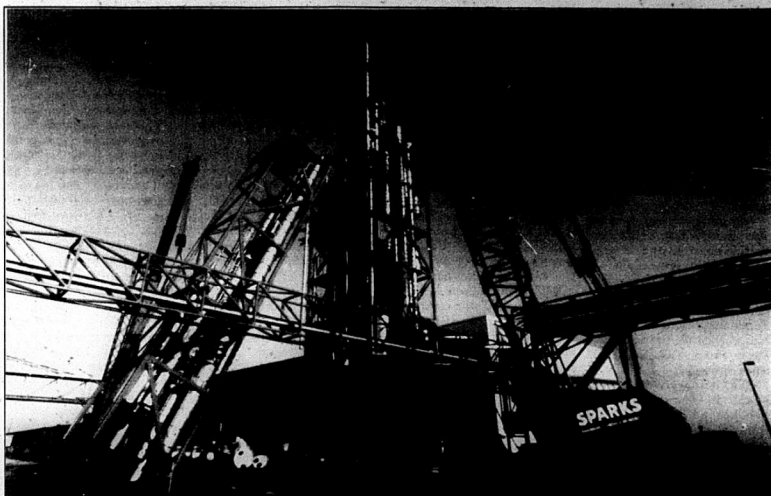

"The campus clean-up was one

of the projects the volunteers tackled. It took nine days to clear the 25,000 cubic yards of debris from the campus and allow the university to reopen for classes.

Maidique honored U.S. Sugar Corp. President J. Nelson Fairbanks in an FIU Foundation ceremony for an in-kind contribution to the university valued at \$200,000. The gift qualified U.S. Sugar for permanent membership in The Torch Society, which recognizes major donors to the university.

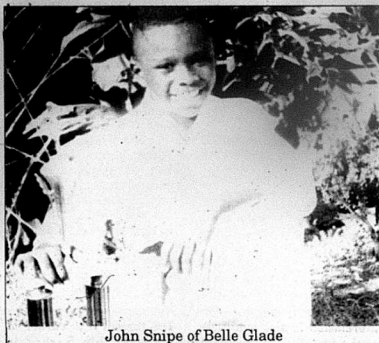

Fairbanks said, "our community was fortunate to have been spared the ravages of the storm."

In keeping with our farming tradition of helping others in time of need, hundreds of our employees volunteered to come to Dade County to lend a hand. We are very proud they were able to make a contribution."

A 160-foot stainless steel evaporator unit is moved into position at the Southern Gardens Citrus Processing Plant near Clewiston. Construction on the \$40 million facility is entering its final stages and Southern Gardens, a subsidiary of U.S. Sugar Corporation, will open Florida's first new orange juice processing plant in more than a decade at the end of the year. The evaporator unit will remove 40,000 pounds of water an hour from oranges to make orange juice concentrate.

Snipe does well at national competition

John Snipe of Belle Glade

John Snipe of Belle Glade won second place in sparring in Tae Kwon Do at the United States Tae Kwon Do Association held in Birmingham, Alabama September 25.

John was one of over 300 participants at the event.

He attends Ken Mann's Tae Kwon Do Plus class in Belle Glade and is a second degree green belt. He is also an honor roll student at Gove Elementary and in third grade. He is nine years old and the son of Matt and Francene Snipe of Belle Glade.

His brother, Matthew Snipe, Jr., 11, also attended the competition and received an honorable mention medallion as did David Bush, Jr. age 8 of Belle Glade.

The winning team...The 1993 Glades Golf Tournament winning team (L-R) with PBCC Glades Campus Provost (center): Adrian Boots, Eva Spooner, Helen Franke, Bill Jones and Jim Young.

Ninety-five youngsters ranging in age from three to five visited the Pahokee Post Office in October. They were accompanied by Margaret Malcolm and teachers Linda Monroe, C. Green, Marlene McClinton, Maxine C. Holland, Deloris Edwards, Daisy Atkins, Helen Daniels, Joanna Dent and Sandra Baldwin from the Palm Beach County Head-Start school. Postmaster Rosemary Bunn introduced her employees and Clerk Glenda Eldridge gave a tour of the facility. Postal coloring books and balloons were distributed to each child and teacher by Ms. Eldridge and Postmaster Bunn.

Cleaning up...Glade View Elementary School teachers spent a day cleaning up the roadside along SR 715 recently. Shown is James Baran, Speech Therapy teacher at the school. He said the teachers decided this was a worthwhile way to spend a teacher's planning day.

A real princess...Ally Arnon, granddaughter of Pete and Darlene Kirchman of Belle Glade, participated in Glades Day School's Halloween Carnival last Saturday night.

Revenge time...Football coach Mike Underwood takes his turn in the dunking booth Saturday at Glades Day's Carnival. Mike hit the water more than once and helped raise money for the school.

Mental Health Clinic raises money for Walk For Life '93

Mr. Joseph Amato, Executive Director, presented a check to Ms. Sandra Daniels, C.L. Brumback Health Center of Belle Glade.

The monies were raised at a Spaghetti Luncheon held on September 29, at the Clinic's Enrichment Center.

Mr. Amato thanked Ms. Eva Reese, Enrichment Center Director, and her staff for preparing a delicious lunch and thanked all of those who participated in the luncheon to raise much needed funds to help fight this dreaded disease that is affecting all of us in some way.

Joseph Amato, Executive Director of the West County Mental Health Clinic, Inc. presents a check to Sandra Daniels, C.L. Brumback Health Center employee, for funds raised during a spaghetti luncheon.

City of Pahokee preparing for Grassy Waters Festival

The Grassy Waters Festival and Car Show will be held at the Pahokee Marina Park on Saturday, Nov. 20, from 10 a.m. until 5 p.m. (8 a.m. for fishing and 5K Run). This year's festival promises to be the best with lots of free games, sporting events, free classic car show, ultralight airplane demonstrations and free entertainment.

Everyone in the family will have plenty of things to do all day. Planned activities will include free snowball throwing contest, free snowman building

time, free fishing tournament for kids ages 5-15, and free pie eating contest. Other fun events such as an Old Fashioned Bed Race and the 5K Run will be going on during the day.

Dozens of classic cars will be on display for nostalgic appreciation of America's rich tradition of automobile lore. Ultralight Airplanes will fly in for the day and have a flight demonstration at mid-morning. The Civil War "Living History" exhibit and demonstration is always a hit with kids of all

ages. Sailboat Races and Airboat Rides (weather permitting) are also planned.

Sporting contests are always popular with the volleyball contests and 5K Run being two of the main highlights. Music and entertainment will be going on all day long, and as usual, great eating and lots of gift buying opportunities will be open to all comers.

Call Alice or Dot at the Pahokee Chamber of Commerce 924-5579 for more information. Fishing and the 5K Run start at 8 a.m. and the

main festival events start at 10 a.m.

The Grassy Water's Festival Dance is planned at the newly-restored Pahokee Recreation Center on Saturday night, Nov. 20, from 9 p.m. until midnight. The evening will feature great dancing music and plenty of good fun and fellowship. Tickets for admission are \$10, and can be purchased at the door or at the Pahokee Chamber of Commerce.

Cops Vs. Citizens Basketball
The Pahokee Cops vs.

Citizens basketball game will be held at 5 p.m. after the Marina Park events conclude. The game will be at the newly-restored Pahokee Recreation Center on East Main Street, and will feature good-natured competition and sporting fun. Best of all, the proceeds of the ticket sales (\$3 for adults, \$2 for children under age 12) will go to support the local DARE Program. Tickets are available from the City of Pahokee or the Pahokee Chamber of Commerce. **Hike Around the Dike**
The Second Annual Big "O"

Hike-Around-the-Dike will start Saturday, Nov. 20, at the Pahokee Marina Park at 8:30 a.m. This is a nine-day, 107-mile hiking event around Lake Okechobee. This hike is a planned yearly event to introduce hikers to this newly-added section of the Florida Scenic Trails system.

If interested in details or participation, contact Warren Resen, 630 J Sea Pine Way, West Palm Beach, Fla. 33415. The telephone numbers are (407) 640-9663, days, or (407) 964-8416, evenings.

Belle Glade resident added to PBCC Wall of Fame

Palm Beach Community College guests, faculty and employees were invited to attend a Diamond-Jubilee reception honoring emeritus faculty at the Central Campus Harold C. Manor Library on Thursday, Oct. 28.

The Wall of Fame display includes photographs of 76 retired PBCC faculty and administrators. In addition, some historical photographs are displayed along with memorabilia and selected photographs of campus activities.

The idea of the Wall of Fame originated at a Diamond Jubilee Committee meeting in March. PBCC Central Campus Librarian/Senior Instructor Carole Blum said she came up with the idea during a brainstorm session as a way to honor emeritus faculty. "I suggested a photogenic exhibit and with support of many others, the display has come together beautifully," Ms. Blum said.

Library Director Brian Kelley and Vice President of Planning and Information

Systems Elisabeth W. Erling (who serves as liaison between the Emeritus Faculty Association and the District Board of Trustees) were instrumental in making preparations for the Wall of Fame, according to Ms. Blum. Planning and Information Systems Secretary Joe York helped with mailing labels volunteered to help arrange photographs and design the layout of the display," Ms. Blum adds. She said the final result is a tribute to the emeritus faculty because they

deserve special recognition during the college's anniversary.

The Wall of Fame display will remain throughout the 60th anniversary celebration until spring 1994. After the anniversary, a permanent home for the exhibit will be selected, and photographs can be added to the display as faculty and administrators retire.

Those honored on the Wall of Fame from Belle Glade include Mary Orsenigo. She was the director of the Glades Center from 1972-1989.

The Palm Beach Community College Central Campus is located at 4200 Congress Ave., Lake Worth. For further information about the Wall of Fame and the Diamond Jubilee, please call 439-8114.

Friendship Bowl
planned for Nov. 6

The Forest Hill Booster Clubs will sponsor the Premier Friendship Bowl Saturday, Nov. 6, at Forest Hill High School, 6901 Parker Ave. W., West Palm Beach, beginning at 7:30 p.m. Pre-game activities will get under way at 6:30 p.m. The Moscow Mustangs will go head to head against the Palm Beach County All-Stars. Admission will be \$6.

The purpose of the game is to promote good will and friendship between the counties through a football game.

The Moscow team will arrive at the Miami Airport on Friday, Oct. 29, and depart Nov. 7. They will work out daily at the same time the Forest Hill High School varsity works out to have an inter exchange of ideas between coaches and players.

Players for the Moscow Mustangs range in age from 19-24, and the team has been in existence since 1990. Most of the players have played other sports such as wrestling, weightlifting and track. The group of coaches, trainers and players will have 50 players.

The Palm Beach County All-Star team consists of recent graduates from area high schools. Schools included are Forest Hill, Cardinal Newman, Christian Day, Glades Day, John I. Leonard, Jupiter, Lake Worth, Palm Beach Gardens, Palm Beach Lakes, Santalucces, Spanish River, Suncoast, Wellington, and as far away as Port St. Lucie. They are coached by Forest Hill Head Coach Bill Hrabak and several members of his staff. They are all volunteering their time. The All-Stars work out daily from 7-9 p.m. at Forest Hill High.

Donations from corporate sponsors are needed, and proceeds from the event will go to the Forest Hill High School Boosters.

The governor, Senator Connie Mack and Senator Bob Graham have inquired about the game and they have been invited to attend. Mayor Nancy Graham is actively supporting this event.

Tickets are presently on sale.

For further information about this event, donations or tickets, please call 967-4474.

Foundation to work with minority organizations to implement programs

The Community Foundation for Palm Beach and Martin counties has been selected to participate in The Ford Foundation's new initiative, "Community Foundations: Planning for Changing Communities, Diverse Needs." To enable the foundation to carry out activities dealing with the next two years, the Ford Foundation awarded the Community Foundation a \$100,000 grant.

In this new initiative, the foundation will work with Black churches and other minority leaders and organizations to implement collaborative programs that place the church as its first-response mechanism to address the needs of local

neighborhoods. Program emphasis will be placed on providing technical assistance in program development and fundraising.

The foundation will also work with the many long-standing and emerging ethnic groups in Palm Beach County to build ethnic understanding among all groups. Further, a major goal of the initiative is to heighten the awareness among minority and ethnic groups on the role of philanthropy in providing long-term funding to meet the needs of the community as they arise.

Richard L. Scott has been hired as program officer, effective Oct. 1, to administer both the Ford initiative and the foundation's Human and Race Relations Program, for which

he served as consultant for the past six months. Mr. Scott has volunteered much of his time as director of the Palm Beach County Classroom Teachers Association. Additionally, he currently serves on the boards of the North West Community Development Corporation and the City of West Palm Beach Housing Authority, and is a member of the North West Neighborhood Association. Mr. Scott and his wife Cassandra Kinsey Scott, reside in West Palm Beach. He will continue to assist both grant seekers and grantees in coordinating projects that facilitate open communication among divergent groups in Palm Beach and Martin counties.

For more information, please call Mr. Scott at (407) 659-6800.

Scholarship Survey lists availability of over 300 local scholarships

The Community Foundation for Palm Beach and Martin counties recently announced the publication of the fifth edition for the Scholarship Survey. The survey is a listing of information and application criteria for over 300 local scholarships available to graduating Palm Beach and Martin County seniors. This information is also available for the first time on disk and copies were distributed to each school. The brochure "SOS on Scholarships," which was also distributed, is a guide to assist students and parents in learning the process for obtaining financial aid.

Fifty individuals including high school principals, guidance counselors and community leaders attended the breakfast at the Marriott Hotel in Palm Beach Gardens. The Scholarship Survey, brochures and application forms for the Community Foundation's Scholarship award were distributed to all county high schools, both public and private, and libraries in Palm Beach and Martin counties. The survey may also be purchased by sending \$11 to the Community Foundation.

The current fifth edition of the Scholarship Survey is compiled and published by the Community Foundation as a public service. Shannon Sadler, executive director of the foundation, explained the foundation's ongoing commitment to assist area students as they pursue a college education.

Additional information on the survey and copies of the brochure may be obtained from the Community Foundation by calling 659-6800.

Residents get together to relieve stress at aerobics class

By Tammy Jackson
Staff Reporter

The newly hardships in life and the Belle Glade area have made it necessary for many women to join the aerobics program at the Belle Glade Civic Center. Ladies in the area have found that getting with others makes it easier for them to deal with the hassles of everyday living.

According to Michele Young, aerobics instructor, "The program thus far is going really, really good."

Teaching aerobics for six years, four years in the Glades area, the program added steps and a mic system one year ago. She said that she looks at the thought that maybe when the season starts in the Glades area, the participation will drop off because so many people will be preparing themselves for their own personal duties that they do. She said that it has dropped off some but not enough to make her notice any real damage to the program.

To be fit and healthy isn't the focus of any one ethnic or age group. Ms. Young said that there are so many different races in the group and they all have an enjoyable time. The group ranges in age from 15 or 16 to 60 years of age.

When originated the group had intended to be co-ed, but men don't participate in the aerobics program, Ms. Young said. She said she is in hopes that more men will participate

in the program.

Ms. Young is a member of a professional organization for aerobics instructors, therefore participants can be assured that they are getting good quality leadership. She attends workshops regularly so that she will be able to maintain her certification and in turn, provide excellent training for the participants.

Ms. Young said she relocated to the area and at the time there was no place for her to work out or to offer aerobic exercise. She said she would drive from Clewiston to West Palm Beach to teach the exercise that she enjoyed doing herself. To her surprise, Ms. Young said that she received a telephone call from a group of ladies who expressed an interest in her to be their aerobics instructor. She said when she first started instructing here, she had a class of 8 interested women. Today Ms. Young said that on some days her classes consist of almost 45 people.

With so much tension in the world, everything seems depressing. When we get in there and start working out, we all sweat together and that just flies out the window," Ms. Young said.

The Belle Glade Parks and Recreation Department sponsor classes at the Belle Glade Civic Center Monday through Thursday nights. A minimal fee is charged and everyone attending is required to have aerobic shoes.

Glades Central Raiders handed first defeat by Olympic Heights

Tammy Jackson
Staff Reporter

Olympic Heights Lions handed Glades Central Raiders their first loss Friday in Boca Raton with a 28-20 score but not before they knew that the Devils would be hard to beat. The Lions knew that this would be the test for them. The game matched the area's top-ranked teams and matched expectations.

Witnessing the upset was a standing-room crowd of approximately 4,000 - the largest in Olympic Heights history.

"James Parrish had one whale of a game," said Olympic Heights Coach Frank Kunf. The team extended its regular-season winning streak to 18 games. That further justified why the team is ranked No. 3 in the Class 4A state poll.

Earlier in the season, Parrish categorized this game as the biggest of his career. He said, "This means a lot to me. That's the hardest I've ever played and they are a great team."

To keep the team player's motivation level high, Coach Kunf said that they considered the game to be a playoff game. "We figured this was our test," he said. The game matched two of the state's best tailbacks. Central Raider, Senior Fred Taylor, and Olympic Heights, Senior Thaddeus Carriance, both exhibited their skill on the football field. They showed the record crowd the real reason they are slated as the state's best tailbacks.

Stealing most of the most spotlight were Parrish, who is noted more as a linebacker than a tight end, and teammate Pervis Henderson.

The 6 foot, 2 inches, 210 pound Parrish gave Olympic Heights a 6-0 lead early in the second quarter. He caught a short pass from Quarterback Antop Anderson. He then broke two tackles near the sideline and outran the secondary for a 61-yard touchdown.

He later caught a 14-yard touchdown pass from Anderson. This gave Olympic Heights a 21-6 lead in the third quarter with 8:04 remaining in the third quarter.

Henderson, 6 foot 205 pounds, rushed for 103 yards on 23 carries.

"We've waited all season for this game," Henderson said. "Now we've got to get ready for Daytona (site of the state championship game). I think we're going to go 14-0."

Glades Central, the No. 1-ranked team in the Class 3A state poll, had trouble getting its potent offense untracked in the first quarter. Senior starting Wide Receiver Reidel Anthony replaced Junior Andre Tommie, who is out for the season, at quarterback. This game was Anthony's first start at quarterback. The 6 foot, 170-pound quarterback performed up to par.

Glades Central Coach Rick Casco said, "Reidel is usually at the other end of passes. He plays safety, he returns punts and kickoffs

And there's a touchdown folks!

and now he has to play quarterback. That's really tough on a kid."

Anthony failed to complete any of his four passes but he brought the Glades Central fans to their feet and an uproar when he returned a second-quarter kick-off 87 yards for a touchdown. This score narrowed Olympic Heights' lead to 14-6. The first half ended with the 14-6 score.

Taylor scored on a 50-yard touchdown run, and two minutes later, Anthony returned a punt 56 yards for

a touchdown. This cut the Lion's lead to 21-20 with 5:23 left in the third quarter. Taylor was stopped at the 1-yard line on the two-point conversion attempt.

Taylor had 24 of the Raider's 26 yards rushing in the first half. He finished with 124 yards on 14 carries. The Raiders had only one first down in the first half and only five for the game.

Variance scored his 18th touchdown of the season on a 7-yard run. This gave the Lions a 28-20 lead with 9:32 to play.

The Lions sealed their eighth win of the season when Taylor lost control of the ball and the Lions recovered the fumble.

"I said we'd get hurt if we had fumbles, penalties and missed tackles, and tonight they caught up with us," said Coach Casco.

The raiders dropped their record to 7-1.

The Raiders will be at Raider field Nov. 5 when they host Fort Pierce Central in a district title game. This is the Raiders Homecoming.

Kick off is slated for 7:30 p.m.

Blue Devils remain undefeated, homecoming planned for Nov. 5

Pahokee Blue Devils remain unbeaten as they nipped Pope John Paul 18-14 in a tough match up. Pahokee is presently ranked No. 2 in the state 2A poll.

Under the leadership of Mark Kaczanowicz, touchdowns were made by Blue Devil players Tyrone Richardson, Andre Taylor and Keo Green.

Trailing by four points with 1:50 left in the game, Pope John Paul had fourth-and-goal at the 3-yard line. The pass was incomplete.

Scoring touchdowns for Pope John Paul were Sophomore Jerry Westbrook, and Junior Corey McGriffin.

Pope John Paul Defensive Coordinator Jeff Fossen said, "It was one of those things. When you have a team that

traditionally loses, the breaks don't always go your way."

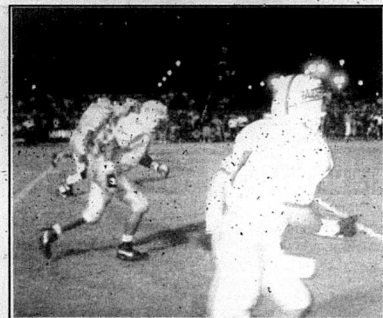

The Blue Devils had a combined total of 23 first downs while Pope John Paul calculated 15.

Neither team had trouble handling the football. Pahokee fumbled one time and Pope John Paul had only two fumbles.

The Blue Devils passed for 97 yards, and Pope John Paul passed for 45.

Each team had their share of penalties. Pahokee was penalized 8 times for 80 yards. Pope John Paul was penalized six times for 60 yards.

The Blue Devils will be home Nov. 5 when they will host Olympic Heights in their homecoming. Action will get under way at 7:30 p.m. on The Blue Devil Field in Pahokee.

Homecoming festivities under way, GCH announces parade guidelines

The theme for Glades Central Community High School is "One Moment In Time", and presently, there are many activities being taken place in the community.

It has been announced that the homecoming parade will be held Friday, Nov. 5, beginning at 3 p.m. The parade line-up for community entries will begin at 1:30 p.m. However, all entries must be in place by 2:30 p.m. on Fourth St.

Please note:

- * No tractors will be permitted.
- * Appropriate attire must be worn for all marching units.
- * Refrain from throwing candy.
- * Vans or automobiles in the parade are to refrain from playing loud music. Music with obscene or vulgar lyrics will not be permitted.
- * Pom-pom/drill team units should not stop to perform routines in the parade.

Homecoming week in Pahokee means community spirit

Tammy Jackson
Staff Reporter

Homecoming activities are abundant in the Pahokee area and students, faculty members and community members are showing the Blue Devil pride.

With an undefeated season and the homecoming game

planned for Nov. 5, the town of Pahokee is participating in school functions this week.

Today the school will have College-Professional Sports Day.

The parade is also planned for today and line-up will begin at 2 p.m. on Larrimore Rd. The parade is scheduled

to start promptly at 3 p.m. Students will be dismissed at 1 p.m.

On Friday, Spirit Day will be observed. School colors are to be worn, and a pep rally is planned. The ball game will begin at 7:30 p.m.

A homecoming dance will be held in the school gym.

Struggling with injuries, CDS players remain enthusiastic

By Brenda Bunting
While their numbers are small, the enthusiasm of the players at Christian Day School is great.

The team has struggled this year with injuries, ineligible players and team members who have had to play several position, but Coach Scott Wilson said they have demonstrated a fighting spirit.

"Our kids have great determination. We fight to the end and we don't give up," he said.

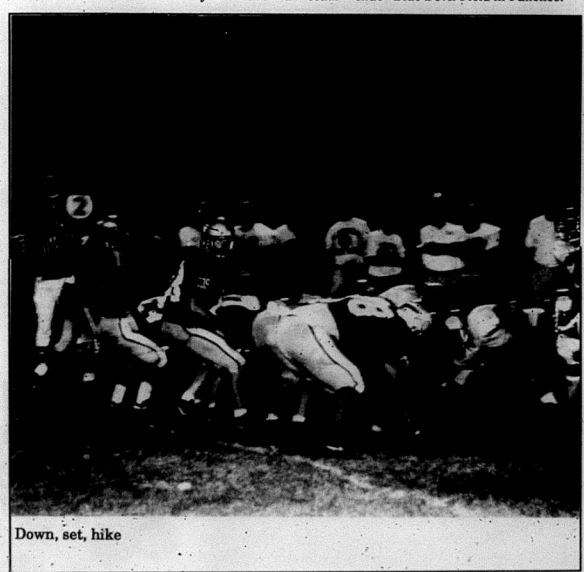

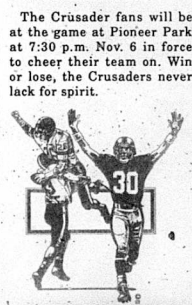

The team lost Saturday afternoon's game to John Carroll with a score of 40-6. The Crusaders played the game with only 14 team members, but still managed to make some points.

After the game, John Carroll's coach praised Wilson for a game well played.

"He complimented our guys on how hard they played," he said. "He said a lot of schools would have forfeited."

The Crusaders are looking forward to next Saturday's game against West Minister. The West Minister team has also had a lot of tough breaks this year and have yet to win a game this season.

"It's the last chance to win for both teams," said Wilson.

Glades Central Raiders handed first defeat by Olympic Heights

Tammy Jackson
Staff Reporter

Olympic Heights Lions handed Glades Central Raiders their first loss Friday in Boca Raton with a 28-20 score but not before they knew that the Devils would be hard to beat. The Lions knew that this would be the test for them. The game matched the area's top-ranked teams and matched expectations.

Witnessing the upset was a standing-room crowd of approximately 4,000 - the largest in Olympic Heights history.

"James Parrish had one whale of a game," said Olympic Heights Coach Frank Kunf. The team extended its regular-season winning streak to 18 games. That further justified why the team is ranked No. 3 in the Class 4A state poll.

Earlier in the season, Parrish categorized this game as the biggest of his career. He said, "This means a lot to me. That's the hardest I've ever played and they are a great team."

To keep the team player's motivation level high, Coach Kunf said that they considered the game to be a playoff game. "We figured this was our test," he said.

The game matched two of the state's best tailbacks. Central Raider, Senior Fred Taylor, and Olympic Heights, Senior Thaddeus Carriane, both exhibited their skill on the football field. They showed the record crowd the real reason they are slated as the state's best tailbacks.

Stealing most of the most spotlight were Parrish, who is noted more as a linebacker than a tight end, and teammate Pervis Henderson.

The 6 foot, 2 inches, 210 pound Parrish gave Olympic Heights a 6-0 lead early in the second quarter. He caught a short pass from Quarterback Anton Anderson. He then broke two tackles near the sideline and outran the secondary for a 61-yard touchdown.

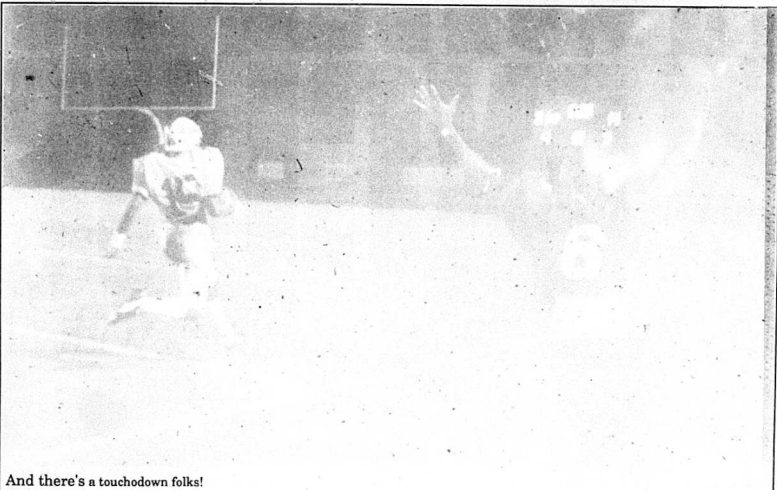

He later caught a 14-yard touchdown pass from Anderson. This gave Olympic Heights a 21-6 lead in the third quarter with 8:04 remaining in the third quarter.

Henderson, 6 foot 205 pounds, rushed for 103 yards on 23 carries.

"We've waited all season for this game," Henderson said. "Now we've got to get ready for Daytona (site of the state championship game). I think we're going to go 14-0."

Glades Central, the No. 1-ranked team in the Class 3A state poll, had trouble getting its potent offense untracked in the first quarter. Senior starting Wide Receiver Reidel Anthony replaced Junior Andre Tommie, who is out for the season, at quarterback. This game was Anthony's first start at quarterback. The 6 foot, 170-pound quarterback performed up to par.

Glades Central Coach Rick Casco said, "Reidel is usually at the other end of passes. He plays safety, he returns punts and kickoffs

And there's a touchdown folks!

and now he has to play quarterback. That's really tough on a kid."

Anthony failed to complete any of his four passes but he brought the Glades Central fans to their feet and an uproar when he returned a second-quarter kick-off 87 yards for a touchdown. This score narrowed Olympic Heights' lead to 14-6. The first half ended with the 14-6 score.

Taylor scored on a 50-yard touchdown run, and two minutes later, Anthony returned a punt 56 yards for

a touchdown. This cut the Lion's lead to 21-20 with 5:23 left in the third quarter. Taylor was stopped at the 1-yard line on the two-point conversion attempt.

Taylor had 24 of the Raider's 26 yards rushing in the first half. He finished with 124 yards on 14 carries. The Raiders had only one first down in the first half and only five for the game.

Variance scored his 18th touchdown of the season on a 7-yard run. This gave the Lions a 28-20 lead with 9:32 to play.

The Lions sealed their eighth win of the season when Taylor lost control of the ball and the Lions recovered the fumble.

"I said we'd get hurt if we had fumbles, penalties and missed tackles, and tonight they caught up with us," said Coach Casco.

The Raiders dropped their record to 7-1.

The Raiders will be at the ball and the Lions Central in a district title game. This is the Raiders Homecoming.

Kick off is slated for 7:30 p.m.

Blue Devils remain undefeated, homecoming planned for Nov. 5

Pahokee Blue Devils remain unbeaten as they nipped Pope John Paul 18-14 in a tough match up. Pahokee is presently ranked No. 2 in the state 2A poll.

Under the leadership of Mark Kaczanowicz, touchdowns were made by Blue Devil players Tyrone Richardson, Andre Taylor and Keo Green.

Trailing by four points with 1:50 left in the game, Pope John Paul had fourth-and-goal at the 3-yard line. The pass was incomplete.

Scoring touchdowns for Pope John Paul were Sophomore Jerry Westbrook, and Junior Corey McGriffin.

Pope John Paul Defensive Coordinator Jeff Fossen said, "It was one of those things. When you have a team that

The Gator's had a rough time Friday night against the LaBelle Cowboys, and their Junior running back Mark Lynch Lynch ran for 222 yards and scored three touchdowns—two of which were made before half time.

Last year the Gator's beat the LaBelle Cowboys in overtime 40-34. This year the Cowboys came to the Swamp with revenge on their minds.

The Gator's kicked off to LaBelle to start the second quarter, and the ball was down inside the five yard line. LaBelle running back Mark Lynch returned the ball

91 yards to score the second touchdown for LaBelle.

The Cowboy's kicker Gramatica kicked for a 45 yard field goal in the second quarter making the score 0-17 at the half.

The Gators, went into the half-time knowing that they were behind by 17 points. They pulled together and regrouped and came back hard against the Cowboys in the third quarter.

The Gator's moved the ball down into Cowboy territory to the four yard line and then Patrick Whitehead took it on for the touchdown. Danny Scott then ran in for the two-point conversion. This made

the score 8-17.

The Gator defense held the Cowboys to no score in the third quarter, but then in the fourth quarter they came back for the last touchdown of the game. Making the final score Gator's 8 - Cowboys 24.

This was not a district game for the Gators, but next weeks game against American Heritage is. This game will determine if the Gators go to district playoffs.

The Gators are tied with American Heritage 4-1 in the district standings. The game will be at American Heritage kick off is scheduled for 7:30 p.m.

Good Luck Gators!

LET'S GO GATORS!

The Cheerleaders from Glades Day School

do their best to motivate the crowd to get behind the Gators.

Win or lose, these girls always show that Gator spirit.

GOOD LUCK TOMORROW GATORS! BEAT AMERICAN HERITAGE!!!

The Story...

The First Thanksgiving

When the first Thanksgiving took place, many of the people were giving thanks just to be alive. Back then, if people weren't out looking for jobs, they were just trying to survive. Food, clothing and shelter were what life was all about.

After the Pilgrims had settled in 1620, they harvested their first crops and saw that the earth of their new home had been good to them. To celebrate, the Pilgrims were joined by the Indians and they prepared a feast and gave thanks to God for what they had received.

Although the exact date of the first Thanksgiving isn't known, it was in 1621 between September 21 and November 9.

Happy Birthday To You!

If you have a November birthday, you're in good company! Take a look at this list of well-known people who share your birthday month.

Demi Moore, actress Nov. 11, 1962
Dwight Gooden, baseball pitcher Nov. 16, 1964
Lisa Bonet, actress Nov. 16, 1964
Danny Devito, actor Nov. 17, 1944
Warren Moon, football quarterback Nov. 18, 1956
Robin Givens, actress Nov. 27, 1964
Bo Jackson, baseball outfielder Nov. 30, 1962

Did You Know...

Did you know that many of the games we enjoy today were also played by the Pilgrims? Although the children did have chores to do, they had time to play once they were done. Some of the games they played included hide-and-seek, marbles, blindman's bluff and jump rope.

Animal Facts... Polar Bears

1. Polar bears have hairs on the soles of their feet enabling them to walk on ice without slipping.
2. The polar bear's closest relatives are dogs.
3. They are excellent swimmers and are better designed for it than other bears, having a longer neck and body and a smaller head.
4. When swimming, polar bears don't kick their back legs like other land animals, but use them like a rudder. The power comes from their front feet which are slightly webbed.
5. The average adult male is around 8 feet from nose to tail, stands almost 50 inches at the shoulder and weighs about 900 pounds. However, the greatest weight for a polar bear is an incredible 2,210 pounds for one shot in Alaska in 1960.
6. Polar bear cubs are the only bears born with fur. Their 'nursery' is a cozy den under the snow. When they leave the den, the mother bear has to protect them from hungry males.
7. Polar bears do not fear man and deliberately stalk humans for food. In some parts of Canada, during the summer months they come on land and sniff through garbage for food, right up to people's homes.
8. The polar bear is not only the biggest of all the bears, it is also the brainiest. When edging toward a snoozing seal (its favorite food) on the ice, it covers its prominent black nose.
9. They have also been known to kill a sleeping walrus with a heavy lump of ice rather than risk an open battle (which the walrus usually wins by goring the bear with its tusks).
10. In captivity, polar bears live for more than 30 years.
